---

New York, NY – September 29, 2025 – Kreit & Chiu CPA LLP is pleased to announce that INSIDE Public Accounting (IPA) has recognized the firm on all three of its 2025 award lists: the **Best of the Best Firms** list, the **Fastest-Growing Firms** list, and the **IPA 500**, which identifies the Top 500 Accounting Firms in the U.S. These honors position Kreit & Chiu among the profession's top-performing firms nationwide and reinforce our continued commitment to excellence, strategic growth, and exceptional client service.

IPA's **Best of the Best** honor is awarded to only 50 firms nationwide based on the 2025 IPA Practice Management Survey, which includes responses from more than 600 firms. The firms named to this list demonstrate superior financial and operational performance, strong leadership, and a wonderful, people-centered culture.

The **Fastest-Growing Firms** list recognizes firms achieving significant and sustainable growth within the profession.

The **IPA 500** lists the top 500 accounting firms in the United States by size and performance, further underscoring Kreit & Chiu's continued upward trajectory.

"This recognition is a testament to the dedication of our team and the trust our clients place in us every day," said **Steven Kreit, Managing Partner of Kreit & Chiu CPA LLP**. "We are honored to be included on three of IPA's leading lists for 2025. As we continue to grow, our focus remains on delivering thoughtful, innovative, and client-centered solutions that support our clients' success."

Together, these distinctions highlight Kreit & Chiu's ongoing commitment to operational excellence, global capability, and meaningful client partnerships. They also reflect the firm's continued investment in talent, technology, and services designed to support dynamic, fast-growing businesses.
