United States Practice

Kreit & Chiu CPA LLP is a premier public accounting and consulting firm headquartered in the United States, serving clients and employees across the globe. We are honored to have been recognized by INSIDE Public Accounting (IPA) as one of the fastest-growing firms in both 2024 and 2025, and to be ranked #442 on the IPA Top 500 Firms list. In 2025, we were further distinguished as one of IPA's "Best of the Best Firms," ranking among the top 50 out of more than 600 firms nationwide.

At Kreit & Chiu CPA LLP, we remain committed to delivering extraordinary service guided by integrity, honesty, professionalism, and quality. Our firm prioritizes personal attention for every client and strives to build long-term relationships based on outstanding teamwork, consistency, and reliability.

We are dedicated to delivering high-quality professional services tailored to businesses operating domestically and internationally. With a deep understanding of complex tax, accounting, and advisory needs, we help clients navigate financial challenges with precision and expertise.

Our firm specializes in serving businesses with cross-border operations, particularly those with ties to China, Korea, and India. We provide seamless support for inbound and outbound transactions, ensuring compliance, strategic planning, and operational efficiency. With professionals fluent in multiple languages and a culturally attuned approach, we help international companies establish and grow their U.S. presence while assisting U.S. businesses expanding overseas.

With offices and professionals across key U.S. markets, we are committed to providing a high-touch client experience rooted in integrity, technical excellence, and reliability.

As a member of BDO Alliance USA, we enhance our capabilities by leveraging an extensive network of independent accounting and consulting firms nationwide. This partnership allows us to provide clients with expanded expertise, access to industry specialists, and innovative solutions—delivering the personalized service of a local firm with the resources of a national network.

China and Southeast Asia Practice

Kreit & Chiu CPA LLP

Our China and Southeast Asia Practice (CSA) has swiftly emerged as one of the most distinguished professional services firms, fostering strong partnerships within the legal, investment banking, and investor relationship industries, particularly in the realms of corporate finance and mergers and acquisitions. Collaborating seamlessly with our channel partners, we have established ourselves as a trusted entity in the professional services landscape.

With a dedicated team of local professionals, we offer a comprehensive suite of accounting, audit, and tax consultation services.

Leveraging our extensive outbound network, we are strategically positioned to enhance our clients' capabilities in navigating investment activities and opportunities.

Our profound expertise comes to the forefront as we support clients in various domains, including initial and secondary public offerings, alternative public offerings such as SPACs and reverse mergers, Private Investment in Public Equity (PIPEs), and other private equity and debt financings.

By combining local insights with global perspectives, we empower our clients to make informed decisions and capitalize on strategic opportunities in the dynamic Asian market. At our CSA Practice, we are not just service providers; we are dedicated partners, committed to navigating the complexities of the business landscape alongside our clients.

India Practice

Kreit & Chiu CPA LLP

KCI Global Advisors Private Limited (KCI) stands as a pivotal global delivery entity within our organization, strategically positioned in India. As an integral component of our advisory and audit services, KCI is dedicated to delivering innovative and tailored solutions. KCI enhances Kreit & Chiu LLP's significance to our clientele by adeptly applying our profound knowledge and extensive experience in the implementation of new accounting standards, GAAP conversions, and the formulation of robust accounting policies and governance structures.

Our team at KCI comprises skilled professionals with in-depth expertise in providing intricate accounting solutions.

This expertise extends to a spectrum of financial activities, including initial and secondary public offerings such as SPACs and reverse mergers, Private Investment in Public Equity (PIPEs), and other private equity and debt financing initiatives. Additionally, KCI specializes in navigating the complexities of mergers and acquisitions, conducting meticulous due diligence, and offering forensic investigation services.

At Kreit & Chiu LLP, through the endeavors of KCI, we consistently strive to elevate our standards, ensuring that our clients receive unparalleled support and guidance in a rapidly evolving financial landscape.

Our Experience

Unmatched PCAOB Experience

Our firm has a strong track record of successfully auditing SEC-registered companies across various industries. We work diligently to ensure compliance with GAAP, PCAOB standards, and industry regulations.

Our leadership team is composed of partners with extensive experience, including backgrounds at Big Four accounting firms and former roles as PCAOB inspectors. Our deep industry knowledge and technical expertise enable us to deliver high-quality, insightful audits tailored to the unique challenges our clients face. We also proactively monitor regulatory changes and PCAOB updates, ensuring that your audit remains aligned with the latest compliance requirements and industry expectations.

Extensive SEC Experience

A significant majority of our audit clients are either currently listed in a U.S. Stock Exchange or are actively engaged in the process of becoming listed through various avenues, including traditional Initial Public Offerings (IPOs), reverse mergers, SPAC mergers, and other methods to go public.

Our specialized focus on publicly traded entities reflects our deep understanding of the regulatory landscape and the distinctive challenges and opportunities that arise in the public market. By aligning our expertise with the specific requirements of publicly traded companies, we aim to provide comprehensive audit services that contribute to the transparency, accountability, and success of our clients in the dynamic realm of public markets.

The clients we cater to within our audit, internal audit, and advisory groups span diverse industries and are situated across multiple countries.

Our Partners

Steven Kreit
Managing Partner

Area of Focus

Steven Kreit is the Managing Partner of Kreit & Chiu (KC) and a member of the executive committee. With over 30 years of experience auditing public companies and leading SEC practices, he specializes in life sciences, pharmaceuticals, cannabis, media, technology, manufacturing, and distribution. Before KC, he was the Office Managing Partner at MGO, where he led the SEC practice as Partner In Charge, and a Partner at EisnerAmper, overseeing the NY commercial audit and Tech & Life Sciences group.

Steven has guided companies through IPOs, Reg A+, and reverse mergers, ensuring SEC compliance and coordinating with investment bankers and attorneys. Steven's experience benefits his clients throughout their entire lifecycle: from emerging entities through growth stages and transactions as well as maturity.

Business Experience

Steven brings more than an outsider's perspective: he has been engaged by clients as an acting CFO (for a publicly traded biotech firm) as well as a pro bono advisor to early-stage start-ups. He also serves on the Board and Executive Committee of a not-for-profit entity, currently holding the role of Treasurer.

His insights are widely respected by financial executives and industry professionals. While at EisnerAmper, he authored the Concerns About Risks Confronting Boards report for eight years, gaining recognition from major media and financial outlets. A sought-after speaker, Steven frequently presents on accounting, risk, and compliance topics worldwide. Prior to EisnerAmper, he was a Senior Manager at Ernst & Young.

As an internal leader, Steven has conducted extensive training on audit methodology and Sarbanes-Oxley Section 404 compliance.
